Canned Spray String Addendum

1. Canned spray strings, in any form, are strictly prohibited in or around the inflatable unit at any time. This includes participants who may have the canned spray string on them from previous play.
2. Canned spray string will cause permanent damage to the vinyl materials used in construction of the inflatable and will cause permanent damage to the inflatable.
3. This damage may include discoloration, removal of the protective fire coating, weakening of the fabric and loss of water repellency and more.
4. It is understood that, I as the rental customer will abide by these rules at all times.
5. It is further understood that, I as, the rental customer will be fully responsible for any and all damages caused by canned spray strings.
6. This damage will result in either the repair of the unit by a professional inflatable repair company or full replacement of the inflatable with the cost of these repairs and/or replacement being the sole responsibility of, I, the rental customer to include any and all state sales tax and shipping costs.

I _____(print name) have read and acknowledge these rules
on _____(insert date) and have agreed to the terms of these rules.

_____Signature of Rental Customer.

_____Signature of Company Representative.
